This document certifies that the ring is crafted in 18Kt white gold (750 thousandths), with a total weight of 3,6 grams.

The ring is adorned with a Lab Grown central diamond, certified by the International Gemological Institute (IGI) under certificate number LG621404780. This number is laser-engraved on the diamond's girdle and is visible under 10x magnification.

In addition to the main diamond, the ring features another Lab-Grown diamond with a Brilliant Pear Cut, weighing 0.30 carats.

The combination of 18Kt Gold and high-quality diamonds, supported by IGI gemmological certification, ensures the excellence and authenticity of this unique piece of jewellery.
